On the right side of the nav bar are "Log In" and a red "Sign Up, It's Free" button. The main content area features a large image of a woman with short brown hair smiling. Overlaid on this image is a "Record" dialog box with options for "Screen", "Webcam", and "Both". The dialog also includes settings for "Max Time" (None), "Size" (720p), "Narration" (with a slider), "Computer Audio" (with a switch), and a "Preferences..." button. Below the dialog is a "Rec" button with a yellow glow, a gear icon, and a pencil icon. To the left of the woman, the text "Capture, create, share." is displayed in a large, bold font. Below this, a paragraph reads: "Our screen capture tools help you easily create, edit and communicate with videos and images. Simple and intuitive tools to share your ideas." Underneath the paragraph are two buttons: a blue "Record for Free" button and a white "Edit for Free New!" button. At the bottom of the page, there is a dark blue footer bar with the text "New! Easily transform your videos, for free! Get the Video Editor →" and a small video camera icon.
